

Waggon calls.

## News of the Lakes

Navigation is yet open on Lake Erie, the large steamer Stanton moving from Buffalo to Cleveland on Saturday. At the latter place the steamer will load coal for spring delivery at Duluth.

The fishing tugs Hugh S. and Annie G. are undergoing extensive repairs in the Hurontario street slip.

The steamer A. E. Ames is on the dry dock receiving some bottom repairs.

Mr. Alex. McDougall, engineer of the Lake Superior Lumber Co's tug Viper, reached town on Monday afternoon having just completed his season's work on Friday. Mr. McDougall laid the tug up at Rossport, which he reports free from ice when he left on Sunday.

The Lake Ontario Navigation Co. have elected the following officers for the current year: F. Hutchinson, president; William Douglass, vice-president, and John Hazlett, managing director.
