

Wiarton Steamers' Officers

The crews of the various tugs and boats sailing out of Wiarton have been practically settled upon, and as soon as the ice clears most of the craft will be in readiness. The officers of the Peninsula Tug & Towing Company's fleet are as follows:—

Steambarge Thos. R. Scott—Captain, Fred Wood; chief engineer, W. C. Fox.

Tug Crawford—Captain, Wm. Tyson; engineer, J. G. Simpson.

Barge Isabella Sands—Master, Jos. Granville; mate, R. J. Vivian, New Bonaventure, Nfld.

Barge Herschel—Master, A. J. Frame; mate, W. Wallace.

Other boats will be officered as follows—

Tug Sandford—Captain, C. Moore; chief engineer, Jos. Hamley.

Tug Geo. H. Sones—Captain, David Rumley; chief engineer, Ed. Robinson.

Tug Mystery—Captain, David Tyndall; chief engineer, Robt. Tyndall.

Tug Chas. Lemecke—Captain, Wesley Martindale; chief engineer, Bert Webster.
